

YI LO, AIA, LEED AP BD+C PRINCIPAL

Yi Lo co-founded Dynamik Design after over 15 years of experience managing a wide variety of retail, multifamily, office and mixed use projects. A masterful technician and patient manager, Yi skillfully navigates project teams through the planning, design and construction of complex developments ranging from tight urban sites with vertically integrated retail and multifamily, to master planned mixed use town centers. He received his Bachelor of Science degree and Master of Architecture from the Georgia Institute of Technology and has been a licensed architect since 2005. He has worked on a variety of project types including multifamily, laboratory, hospitality, retail and office with over 200 million dollars and 8 million SF of new and renovated project experience.
