Vue houses 271 residential units within The Quarter Upper Westside, a master planned, mixed use development in this burgeoning, eclectic Northwest Atlanta area. Three 4/5 story split buildings are designed to reflect the neighborhood's industrial roots, with metal trim, large warehouse style windows and brick grid. The terracing slope of the site gives way to gorgeous views of the Atlanta skyline. The 7,000 SF clubroom and fitness area overlook an expansive 11,750 SF pool courtyard with lounge seating and an outdoor kitchen. Amenities include a dog spa, bark park and bike shop. Site design anticipates direct connectivity to the future 6 mile paved trail extension that will link the Silver Comet Trail to the Atlanta Beltline.
