STORIES:	4
UNITS:	230
RETAIL:	9,000 SF
ACRES:	6.94

East Lake Glenwood is a mixed use development in the diverse and vibrant community of East Lake. Four stories of wood-frame Type VA construction buildings house 230 residential units and 9,000 SF of retail space along Glenwood Avenue. The modest yet elegant facades blend textures of masonry, wood and modern reveal panels to create a contemporary aesthetic that reflects the energy of the surrounding neighborhood. The infill project is designed to encourage walkability with thoughtful streetscape design, generous sidewalks and green spaces. Resident amenities include an expansive club room, fitness center and pool amenity.
